

Intro to the Itinerant Early Childhood Special Education Service Delivery Model (IECSE) for General EC Teachers

This 2-session informational training provides an introduction to the Itinerant Early Childhood Special Education Service Delivery Model (IECSE).

It includes a focus on the roles of the special educator and the general early childhood teacher. In addition, it introduces the research behind the IECSE model, the rationale for adoption, the key features, and the alignment with RI's vision for supporting all young children within high quality early learning programs.
